## HOPS

### APOCALYPSE

IPA / IBU 70 / ABV 6.8%

This west Coast style IPA is our flagship beer. We can talk about how good it is, but we'd rather you just give it a run for yourself. Apocalypse Now. -5

### JOE

IPA / IBU 70 / ABV 6.9%

This IPA was formally known as SAM named after its hops: Simcoe, Amarillo & Mosaic; but we were told this would be a trademark issue with a large craft brewery out of the Northeast so we had to change it. We cycled through a bunch of generic names; Bob, Tom, Dick, until we finally arrived on the perfect name for this IPA... JOE. -6

## JUDI'S HOUSE

Founded by former NFL quarterback Brian Griese and his wife, Dr. Brook Griese, Judi's House is a tribute to Brian's mother, Judi, whom he lost to breast cancer when he was 12. As Brian grew up grieving this loss, he made a commitment to use his resources to positively impact grieving children. The Grieses discovered that there were no organizations devoted to this population and dedicated themselves to offering a safe, compassionate environment where children could grieve and begin the lifelong healing process.

Judi's House is the only free-standing organization in the Metro Denver area devoted solely to providing research-based care to grieving children and their families.

Since 2002, Judi's House has supported more than 8,000 youth and caregivers, toward our vision that no child should be alone in grief.

Thanks to the generosity of our donors and investors, there is no cost to families participating in Judi's House services and programs.
