

BEERS ON TAP

SESSION

SASQUATCH

Brewed by Shawn Kelso in Boise, ID

GOLDEN ALE / IBU 23 / ABV 4.7

SAMPLER #1

Not quite a traditional blonde, but not quite a golden, the crisp Boise blonde is light enough bodied to be your every day go to with a smooth blend of hops to keep things interesting. Clean, light and easy drinking. -5.5

TRAIL BEER

NW PALE ALE / IBU 60 / ABV 4.8%

SAMPLER #3

Ready for the perfect Pale Ale? Trail Beer is ready for you too, with a refreshingly bright body layered with nuances of fresh cut oranges and pine needles. Brewed with galaxy, chinook, comet hops. -5.5

SEASONAL

WATER OF LIFE

Brewed by Tonya Cornett and Bobby "MF" Jackson in Bend, OR

BARREL AGED SOUR / IBU 5 / ABV 6.8%

SAMPLER #2

Why wouldn't we blend together sour wheat beer and cider and age it in Aquavit barrels? It sounds crazy, but the juicy, lemony quality of the base beer perfectly complements the herbal and oaky notes that the barrel provides. Quench yourself with the Water of Life. (served in a snifter) -6.5

REDEUX STRONG ALE

STRONG ALE / IBU 55 / ABV 9.6%

Brought back to life from an old recipe, this rich and complex Strong Ale pours a ruby hued red with a soft tan head. Sweet caramel malts, hints of dried fruits, and subtle nuttiness are perfectly balanced by a well rounded hop bite. Cheers!

(served in a snifter) -6.5

SPECTATOR DOPPELBOCK

Brewed by Thomas Wisdom in Bend, OR

DOPPELBOCK / IBU 23 / ABV 7.5%

SAMPLER #9

This German style lager was brewed by the traditional old world technique of double decoction. This produces a rich depth of maltiness with notes of brown sugar and molasses. All this malt goodness envelopes your tongue leaves salivating for more. -5.5

COLD COMPANION

Brewed by Tonya Cornett in Bend, OR

OATMEAL STOUT / IBU 22 / ABV 5.1%

As the weather turns cold our choices in beer get darker. Oatmeal adds a silkiness to the body of this Stout as well as a nutty, toasty character that perfectly complements the roasty espresso notes from the dark malts. -5.5

BIG OL' PUMPKIN

IMPERIAL PUMPKIN ALE / IBU 40 / ABV 8.3%

SAMPLER #8

We brewed this beer with over 14lbs. of organic pumpkin per barrel and then finished it off with cinnamon, nutmeg and all spice. Put this in your pie and bake it!

(served in a snifter) -6.5

BEERS ON TAP

HOPS

APOCALYPSE

IPA / IBU 70 / ABV 6.8%

SAMPLER #5

This West coast style IPA is our flagship beer. We can talk about how good we think it is, but if you like IPA's...just give it a run for yourself. -5.5

JOE

IPA / IBU 70 / ABV 6.9%

SAMPLER #4

This IPA was formerly known as SAM named after its hops; Simcoe, Amarillo & Mosaic, but we were told this would be a trademark issue with a large craft brewery out of the Northeast so we had to change it. We cycled through a bunch of generic names; BOB, TOM, DICK, DAN, CARL, FRANK until we finally arrived on the perfect name for this IPA... JOE. -5.5

SCALE BREAKER

Brewed by Jimmy Seifrit in Bend, OR

DOUBLE IPA / IBU 85 / ABV 8.8%

Built to deliver a dump truck of flavor but at the same time leaving you wanting more. The scales were tipped using copious amounts of Mosaic and Sorachi Ace hops. The coconut-tropical with mandarin hop note is parried with a sweet caramel malt compliment. Have your cake and eat it too. -6.5

DARK

SINISTOR

BLACK ALE / IBU 13 / ABV 5.7%

SAMPLER #6

This beer has been around almost as long as the brewery. Don't be fooled by the name because this dark beer is light bodied and smooth with subtle hints of chocolate and coffee. With a "ask for it by name" cult following, it's very unique and a must try. -5.5

PRAY FOR SNOW

WINTER ALE / IBU 65 / ABV 7%

SAMPLER #7

In Bend, we care about two things in the winter...Snow and Beer. We changed this year's Pray For Snow winter ale by using seven different malts and changed up the hops for a piney, herbal hop complexity. Drink Beer, Stay Warm! -5.5

THE BIG HANDLE

BRETT IPA

IPA WITH BRETTANOMYCES/ IBU 65 / ABV 6.8%

In this case, Brett isn't some dude, it's a genus of yeast. Brettanomyces yeast provides aromatic tropical fruit esters and a mild funk that blends perfectly with the juicy, complex fruity notes from El Dorado, Mosaic, and Vic's Secret hops. Thanks to a massive dry hop addition that included heaps of Mosaic lupulin powder, this is an IPA that isn't for the faint of heart. -5.5

NITRO

SNOWBALLS

WINTER ALE / IBU 65 / ABV 9%

SAMPLER #10

This BIG winter ale is sure to please with a smooth malt profile and a wonderfully hoppy finish. On nitro? Even better! Cozy up next to the fire and enjoy!

(served in a snifter) -6.5

10 SAMPLER

10 beers in one visit to the pub. Includes all of our production beers in three-ounce samples. -10
