BEERS ON TAP

SESSION

MARZ ATTACKS!*

FLIGHT 2.2

MARZEN LAGER / IBU 22 / ABV 4.9%

This classic German Lager is smooth and sessionable. Tons of Munich and Vienna malts create it's rich and malty character, with German Perle hops for a balanced bitterness. A great choice when you're looking for something light and drinkable that packs plenty of flavor! -6

MUNICH HELLES*

FLIGHT 2.3

GERMAN LAGER / IBU 15 / ABV 5%

This classic German lager is refreshing and drinkable, and packed with flavor. Clean malt character, and a smooth finish is what this beer is all about. If you're looking for a beer that goes down easy, then look no further. -6

DORADO WINTER*

FLIGHT 2.7

GOLDEN WINTER ALE / IBU 30 / ABV 6.1%

Winter Ale's are typically dark but we decided to make a beautiful golden winter ale this time around. To bring out some great wintery flavors we used 20# of coffee beans from Dawson Taylor as well as roasted some Pecans and Toffee for some sweetness and body. Enjoy some brightness in the dark winter -6

PILSNER

FLIGHT 1.4

GERMAN PILS / IBU 35 / ABV 5.1%

This is a classic German-style Pilsner brewed the traditional way to enhance complexity. We used Noble hops to give it authentic character you expect from a Pilsner. Made with tradition and exceptional quality in mind. Let's Rip! -6

MONEY CAT

FLIGHT 1.6

JAPANESE LAGER / IBU 15 / ABV 4.5%

If you are looking for light and refreshing then look no further. We concocted an exceptionally smooth traditional Japanese rice lager with a subtle floral hop aroma. With added fresh Cryo Azacca hops for the fresh hop season. -6

SOUR

RIVIERA - BRONZE MEDAL '22 GABF

GOSE / IBU 5 / ABV 5.3%

This traditional Leipzig Gose has a soft wheat malt body with a clean tartness and crisp finish. A tiny pinch of Ukranian Coriander adds a Herbal-Citrus aroma. Prost! (Snifter) -6.5

APRICOT CRUSH

AMERICAN SOUR / IBU 7 / ABV 6.2%

A welcoming introduction to the world of sour beers. Our Apricot Crush is made from a Berliner Weiss base and then we add copious amounts of apricots to make this beer really pop. Light, crisp and refreshing. (Snifter) -6.5

CIDER

REFRESHY

CIDER / IBU 0 / ABV 6.8%

We took our house dry cider and added pomegranate to it for a fruit combination that melds together perfectly and finishes with a light sweetness. -6

10 BARREL BREWING CO

HOPS

BOISE APOCALYPSE*

FLIGHT 2.4

IPA / IBU 70 / ABV 6.8%

This west coast style IPA is our flagship beer. Now brewed right here! We can talk about how good we think it is but if you like IPA's... Just give it a run for yourself. -6

GEMARILLO*

FLIGHT 2.5

HAZY IPA / IBU 70 / ABV 6.7%

This Hazy IPA is an old-school Hop Bomb at heart. Featuring Idaho Gem and Amarillo hops that give it a resinous earthy bite. If you dig Apocalypse this hazy might just be for you! -6

ROCK HOP

FLIGHT 1.8

COLD IPA / IBU 48 / ABV 7%

A collaboration with Danner Boots! Combining the soft maltiness of a Helles with hop notes of lemon, orange, and pine traditionally found in West Coast IPA's, this beer pushes boundaries in all the right directions. -6

MELON GRAB*

FLIGHT 2.6

DOUBLE IPA / IBU 60 / ABV 9.7%

What happens when you decide to throw a ton of old school and new school hops into a crazy drinkable Double IPA? You get a great mix of the classic IPA bitterness with some fun fruity/ melony aromas and it makes you forget you are drinking a 9.7% ABV beer, be careful with this new trick! (Snifter) -6.5

NATURE CALLS

FLIGHT 1.2

MOUNTAIN IPA / IBU 50 / ABV 6.5%

Nature Calls has the big juicy hop profile that IPA lovers crave. Dry hopping with Mosaic and Eldorado delivers tropical notes of ripe mango, tangerine, pineapple, and fresh berries, while Strata hops helps deppen the grapefruit and herbal cannabis elements. This beer is incredibly quaffable, with restrained bitterness, and refreshingly smooth dry finish -6

PROFUSE JUICE

FLIGHT 1.3

HAZY IPA / IBU 45 / ABV 6.5%

The focus of this addicting Hazy IPA was to bring out all of the tropical juicy hop flavors we could while keeping the bitterness in check and balanced. Huge whirlpool additions and multiple Dry Hopping did the trick. -6

CLOUD MENTALITY

FLIGHT 1.5

HAZY IPA / IBU 50 / ABV 6.7%

This Hazy IPA was brewed to showcase the potential of the highly sought after Strata Hop. Big juicy tropical fruit notes are backed up with sticky-sweet kind bud aroma. This bitterness is mild and balanced with a medium malt body. Cheers! -6

A PALE PONY NAMED DEATH*

FLIGHT 2.9

PALE ALE / IBU 45 / ABV 6.1%

When we opened the pub one morning a Rider approached upon a pale Pony named Death. We welcomed them in and threw back a few of this crisp, delicious Pale Ale. A lil' piney, a lil' fruity, a lot of delicious. -6

HARD SELTZER

CLEAN LINE

HARD SELTZER WITH MANGO / ABV 5%

You've probably tried a hard seltzer, but have you tried ours? This huckleberry infused hard seltzer goes down clean. Perfect for the patio. Cheers! -6

BEERS ON TAP

MALT

IRISH BREAKFAST*

FLIGHT 2.1

OATMEAL STOUT / IBU / ABV 5.4%

This silky smooth brew has 100% of your daily value in deliciousness. This classic UK style is reminiscent of the famous stouts of Dublin. Although it's the perfect breakfast beer, this ultra-smooth stout works any other time of the day as well. Trust us. -6.

BREAKFAST OF CHAMPIONS*

FLIGHT 2.8

MILK STOUT / IBU 30 / ABV 5.1%

This highly drinkable milk stout was brewed with Madagascar vanilla beans and Saigon cinnamon. Low ABV but a full body due to being brewed with Lactose (thus the style "milk" stout). Sweet vanilla and light cinnamon on the nose and taste, with a light chocolatey finish. So good you can't even feel bad starting your morning out with it! -6

RHINESTONE COWBOY*

FLIGHT 2.10

AMBER / IBU 35 / ABV 6.2%

This amber ale stands out among other German beers, shining bright like a Rhinestone Cowboy. Most German beers are lagers, but this one is a malty & hoppy ale. Munich and Crystal malts give this beer it's nutty, toasty flavor. The classic German hops give an assertive, yet clean bitterness. If you're looking for an alternative to your typical beverage, this Altbier is it! -6

BLACKBERRY DEFACE

FLIGHT 1.1

BARREL AGED DOPPELBOCK / IBU 30 / ABV 8%

We have our own opinion on this German-style pale doppelbock that was aged in oak barrels that previously held blackberry brandy - it's amazingly delicious. But Germans are obsessed with their beer purity and since we defaced a perfectly good doppelbock, they'd probably be mad about it. Oh well, we're Americans and ruin everything. Deal with it, Hans. (Snifter) -6.5

SINISTOR BLACK

FLIGHT 1.9

BLACK ALE / IBU 28 / ABV 5.7%

This beer has been around almost as long as the brewery. Don't be fooled by the name because this dark beer is light bodied and smooth with subtle hints of chocolate and coffee. Very unique and a must try. -6

STEEP POW

FLIGHT 1.10

AMERICAN STOUT ON COFFEE / IBU 65 / ABV 7%

This is not your ordinary American stout... This beast is full flavored with a North West hop profile followed by a substantially roasted malt train. Then rested on coffee beans. Greatness in a glass. -6

MISSION CONTROL*

FLIGHT 1.7

NW RED ALE / IBU 55 / ABV 6.2%

This brew combines the hops of an IPA with the rich, malty goodness of an Amber ale. Classic American hop flavors of citrus and pine are highlighted by Caramel and Munich malts for the perfect balance of flavor and drinkability. -6
