SESSION

HEFFY HITTER *

FLIGHT 2.5

HEFEWEIZEN / IBU 12 / ABV 5.3%

This easy drinking Wheat ale is brewed with 50% malted wheat, helping to highlight a breadly malt flavor. Banana esters dominate the aroma, with a slight undertone of spicy phenolics. Enjoy this heavy hitter while it lasts! -6

PILSNER

FLIGHT 1.3

GERMAN PILS / IBU 35 / ABV 5.1%

This is a classic German-style Pilsner brewed the traditional way to enhance complexity. We used Noble hops to give it authentic character you expect from a Pilsner. Made with tradition and exceptional quality in mind. Let's Rip! -6

EASY LIVIN' * - SILVER MEDAL '21 NABA

FLIGHT 2.3

SUMMER ALE / IBU 25 / ABV 5.7%

Summertime, and the livin's easy! That's the vibe we had when we created this easy drinking, crushable, delicious Summer Ale. Cascade and Crystal hops give this beer the crisp finish and citrus flavor that will keep you coming back for more. Kick back, enjoy the sun, and have a beer. It's Easy Livin'! -6

MARZ ATTACKS! *

FLIGHT 1.8

MARZEN LAGER / IBU 22 / ABV 4.9%

This classic German Lager is smooth and sessionable. Tons of Munich and Vienna malts create it's rich and malty character, with German Perle hops for a balanced bitterness.

A great choice when you're looking for something light and drinkable that packs plenty of flavor! -6

CERVEZA CHILERO *

FLIGHT 2.4

MEXICAN LAGER / IBU 20 / ABV 5%

Mexican lagers are the perfect summer crushers. A subtle malty sweetness brightens up the palate, but it finishes light and crisp. Goes great with a lime if that's your style -6

REEL GOOD

FLIGHT 1.9

KOLSCH-STYLE / IBU 24 / ABV 5%

Brewed using traditional methods and subtle Champagne-like fermentation, this Kolsch-style summer ale is clean, crisp, balanced, and almost as light as a dry fly. Fish it Well and Drink Beer Outside! -6

HARD SELTZER

CLEAN LINE

HARD SELTZER WITH MANGO / ABV 5%

You've probably tried a hard seltzer, but have you tried ours? This mango infused hard seltzer goes down clean. Perfect for the patio. Cheers! -6

CIDER

SOFT CORE

FLIGHT 1.7

CIDER / IBU 0 / ABV 6.5%

The Soft Core is the sweetest and most ripe part of an apple, brewed to create a cider that is provocative and enticing but not too over the top. Tantalizing crisp Northwest apples are the star of the show adding big fruit flavor without cloying sweetness that will excite the taste buds while keeping it classy. -6

WILD CARD

KIWIS IN PARIS *

FLIGHT 2.10

DRY-HOPPED SAISON / IBU 30 / ABV 6.1%

The Boise Brewers teamed up with our colleague from the Portland pub, Conor Teichroeb for this collaboration project. We brewed a classic Saison and dry-hopped it with some super tropical Waiti hops from New Zealand. The result is a unique blend of a spicy, peppery saison with bubblegum yeast and tropical, stone-fruit hop aromas. It's as delicious as it is unconventional. -6

10 BARREL BREWING CO

HOPS

APOCALYPSE

FLIGHT 1.2

IPA / IBU 70 / ABV 6.8%

This west coast style IPA is our flagship beer. We can talk about how good we think it is but if you like IPA's... Just give it a run for yourself. -6

CANNONBALL *

FLIGHT 2.6

DOUBLE HAZY IPA / IBU 40 / ABV 8%

Emphasizing hop aroma and flavor without bracing bitterness, the New England IPA leans heavily on late hop additions and dry hopping techniques to deliver a bursting juicy and tropical hop experience. The skillful balance of technique and ingredient selection, often including wheat or oats, lends an alluring haze. This "Double" version is higher in alcohol, as well as Double-Dry Hopped (DDH), a technique using double the amount of hops and two separate dry-hop additions. -6.5

FREERIDER *

FLIGHT 1.1

COLD IPA / IBU 50 / ABV 6.2%

Cold IPAs are a relatively new trend in the craft beer world. Similar in concept to the India Pale Lagers that were popular 5+ years ago, these beers utilize yeasts that prefer colder fermentation temperatures. However, the Cold IPA is a bit more subtle in its approach. The goal is to create the most light and crisp IPA possible. The colder fermentation, along with the use of adjunct grains (usually flaked rice or corn), helps to achieve a light bodied, bright, and crisp IPA that accentuates the hops. In this version, we used Kolsch yeast, fermented at 58-60 degrees Fahrenheit. -6

BELMA HAZE *

FLIGHT 2.1

SESSION HAZY / IBU 45 / ABV 5.4%

Emphasizing hop aroma and flavor without bracing bitterness, the New England IPA (aka Hazy IPA) leans heavily on late hop additions and dry hopping techniques to deliver a bursting juicy and tropical hop experience. The skillful balance of technique and ingredient selection, often including wheat or oats, lends an alluring haze to this popular take on the American IPA. This session version is lower in alcohol content, so you can drink more of it! -6

HAZY TRAIL

FLIGHT 1.10

HAZY IPA / IBU 50 / ABV 6.2%

Ready for the perfect Juicy IPA? Hazy Trail is ready for you too, with a soft malt profile, low IBU, and a huge tropical hop profile, it makes for a refreshing, easy drinking IPA. It wants to travel, see new things, and have epic adventures with you and your friends. -6

MISSION CONTROL *

FLIGHT 2.2

NW RED ALE / IBU 55 / ABV 6.2%

This brew combines the hops of an IPA with the rich, malty goodness of an Amber ale. Classic American hop flavors of citrus and pine are highlighted by Caramel and Munich malts for the perfect balance of flavor and drinkability. -6

JOE IPA

FLIGHT 1.6

IPA / IBU 70 / ABV 6.9%

This IPA was formerly known as SAM named after its hops; Simcoe, Amarillo & Mosaic but we were told this would be a trademark issue with a large craft brewery out of the Northeast so we had to change it. We cycled through a bunch of generic names; BOB, TOM, DICK, CARL until we finally arrived on the perfect name for this IPA... JOE. -6

NATURE CALLS

FLIGHT 1.4

MOUNTAIN IPA / IBU 50 / ABV 6.5%

Nature Calls has the big juicy hop profile that IPA lovers crave. Dry hopping with Mosaic and Eldorado delivers tropical notes of ripe mango, tangerine, pineapple, and fresh berries, while Strata hops helps dephen the grapefruit and herbal cannabis elements. This beer is incredibly quaffable, with restrained bitterness, and refreshingly smooth dry finish -6

DARK

WITCH KING *

FLIGHT 2.9

CDA (BLACK IPA) / IBU 55 / ABV 7.4%

Any Lord of the Rings fans in here? This Cascadian Dark Aler is black and bitter, just like the Witch King of Angmar himself. But don't be fooled, this beer is smooth and balanced, and perfect for all hop lovers. Hints of tropical and stone fruits, pine, and grapefruit blend with the subtle roastiness to make you covet this delicious brew! -6

BEYOND THE TOWER *

FLIGHT 2.8

BROWN ALE / IBU 30 / ABV 5.7%

Beyond the Tower of London lies the East End, the historical home of the city's working class. And after a hard day's work, what's better than a pint? This classic English style is malty and delicious, with nutty and biscuity notes dominating the flavor. Malty sweetness is nicely balanced with English hops to give it the perfect finish. -6

SUGAR SHACK *

FLIGHT 2.7

IMPERIAL STOUT / IBU 30 / ABV 8%

Russian Imperial Stouts, first brewed in England for Emperor Peter the Great of Russia, are higher in alcohol than traditional English Stouts. The best examples are full bodied, rich, and complex, and will often have flavors and aromas of dried fruit, coffee, and dark chocolate. Often dry, flavors of higher alcohol can be apparent. Hop character can vary from none, to balanced or aggressive. This version is flavored with Maple Syrup, Vanilla, and a touch of Ceylon Cinnamon. -6.5

SOUR

RASPBERRY CRUSH

AMERICAN SOUR / IBU 6 / ABV 6.5%

A great introduction to the sour world. Raspberry crush will slap you in the face with raspberry tartness then again with an undeniable sourness. Refreshingly mouth puckering... -6.5

CASTAÑA

BRETT SOUR / IBU 20 / ABV 5.5%

We chose a Mexican-style dark lager as an outside of the box choice to send off into wine barrels for a mixed-culture secondary fermentation. We then added high-quality dried Montmorency cherries to provide a gorgeous auburn hue to this dark chestnut colored beer and a rounded, tart fruitiness that melds perfectly with the rich, nutty maltiness and oaky, spicy notes from the base beer. (Snifter) -6.5

APRICOT CRUSH

AMERICAN SOUR / IBU 7 / ABV 6.2%

A welcoming introduction to the world of sour beers. Our Apricot Crush is made from a Berliner Weiss base and then we add copious amounts of apricots to make this beer really pop. Light, crisp and refreshing. (Snifter) -6.5

NITRO

IRISH BREAKFAST *

FLIGHT 1.5

OATMEAL STOUT / IBU 20 / ABV 5.4%

An English seasonal variant of sweet stout that is usually less sweet than the original, and relies on oatmeal for body and complexity rather than lactose for body and sweetness. Typically 5-20% of the grain will be made up of flaked and/or malted oats, which contributes a full-bodied mouthfeel and silky texture. Roasted malts create the black color, as well as a chocolate-y, roasty flavor. A touch of UK hops help balance the malty sweetness with a bit of bitterness. This example is served on Nitro, which further enhances the mouthfeel and texture, creating an incredibly smooth beer. -6
