## SESSION

### MARZ ATTACKS! \*

MARZEN LAGER / IBU 22 / ABV 4.9%

This classic German Lager is smooth and sessionable. Tons of Munich and Vienna malts create it's rich and malty character, with German Perle hops for a balanced bitterness. A great choice when you're looking for something light and drinkable that packs plenty of flavor! -6

FLIGHT 2.2

### PILSNER

GERMAN PILS / IBU 35 / ABV 5.1%

This is a classic German-style Pilsner brewed the traditional way to enhance complexity. We used Noble hops to give it authentic character you expect from a Pilsner. Made with tradition and exceptional quality in mind. Let's Rip! -6

FLIGHT 1.4

### LUCKY BANDIT \*

GOLDEN ALE / IBU 25 / ABV 5.6%

Sometimes simple is best, this Golden Ale is just that. It's not a hop bomb and there are no crazy fruits added to it. A nice golden malt touch and a clean / easy fermentation have led to this no frills easy drinking golden ale. Kick back and pair this easy drinker with just about any food on the menu for a good time. -6

FLIGHT 1.3

### CAMP VIBES

GOLDEN ALE / IBU 25 / ABV 4.6%

Camp vibes, or a state of overwhelming joy, relaxation, and enlightenment, is a term coined by Polder: the original #CampVibes purveyors and creators of fine camping goods and outdoor essentials. We teamed up with Polar to create a bright Golden Ale with Cascade Hops and a hint of fresh lemon. This recipe has a breezy flavor and a light body for when you're posted up by the campfire or hanging on the river with your crew. Camp Vibes are always attainable... just reach for the cooler.. -6

FLIGHT 2.8

### DORADO WINTER \*

GOLDEN WINTER ALE / IBU 30 / ABV 6.1%

Winter Ale's are typically dark but we decided to make a beautiful golden winter ale this time around. To bring out some great wintery flavors we used 20# of coffee beans from Dawson Taylor as well as roasted some Pecans and Toffee for some sweetness and body. Enjoy some brightness in the dark winter -6

FLIGHT 2.7

### MONEY CAT

JAPANESE LAGER / IBU 15 / ABV 4.5%

If you are looking for light and refreshing then look no further. We concocted an exceptionally smooth traditional Japanese rice lager with a subtle floral hop aroma. With added fresh Cryo Azacca hops for the fresh hop season. -6

FLIGHT 1.6

### DIAMOND IN A RHINESTONE WORLD

TEXAS BOCK / IBU 14 / ABV 4.6%

This International Women's Day, we give you 'Diamond in a Rhinestone World'; a Traditional Texas Bock brewed as an exclusive collaboration between our three female brewers, Tonya Cornett, Jess Rezner, and Maddy McCarthy. Pairs well with your favorite BBQ side or smoked meat and is light enough to make you want another glass. Enjoy! -6

## HOPS

### ISLAND GLOW \*

JUICY IPA / IBU 55 / ABV 6%

This is a tropical fruit bomb! Nelson Sauvin and EXP 17701 hops have led us to some great pineapple and other tropical flavors. Enough bitterness to balance it all out and a teeny bit of haze without being one of those THICC IPAs you tend to run into lately. If I was stranded on an island this may be the one beer I would pick to take with me! -6

FLIGHT 2.3

### MELON GRAB \*

DOUBLE IPA / IBU 60 / ABV 9.7%

What happens when you decide to throw a ton of old school and new school hops into a crazy drinkable Double IPA? You get a great mix of the classic IPA bitterness with some fun fruity/ melony aromas and it makes you forget you are drinking a 9.7% ABV beer, be careful with this new trick!. (Snifter) -6.5

FLIGHT 2.6

### GEMARILLO \*

HAZY IPA / IBU 70 / ABV 6.7%

This Hazy IPA is an old-school Hop Bomb at heart. Featuring Idaho Gem and Amarillo hops that give it a resinous earthy bite. If you dig Apocalypse this hazy might just be for you! -6

FLIGHT 2.9

### NOTAPOC \*

IPA / IBU 65 / ABV 6.8%

Sometimes you just have to accept that \$#\*% happens. We saw another example of this recently when making a big batch of Apocalypse! Our glycol cooling system decided to take an unscheduled vacation resulting in our plans changing. So instead of Apoc we offer you this close version, slightly less hop bite, a little more malt forward, and some notes of tangerine. Presenting our new beer "NOT APOC" -6

FLIGHT 2.4

### JOE IPA

IPA / IBU 70 / ABV 6.9%

This IPA was formerly known as SAM named after its hops; Simcoe, Amarillo & Mosaic but we were told this would be a trademark issue with a large craft brewery out of the Northeast so we had to change it. We cycled through a bunch of generic names; BOB, TOM, DICK, CARL until we finally arrived on the perfect name for this IPA... JOE. -6

FLIGHT 1.1

### APOCALYPSE

IPA / IBU 70 / ABV 6.8%

This west coast style IPA is our flagship beer. We can talk about how good we think it is but if you like IPA's... Just give it a run for yourself. -6

FLIGHT 1.2

### CLOUD MENTALITY

HAZY IPA / IBU 50 / ABV 6.7%

This Hazy IPA was brewed to showcase the potential of the highly sought after Strata Hop. Big juicy tropical fruit notes are backed up with sticky-sweet kind bud aroma. This bitterness is mild and balanced with a medium malt body. Cheers! -6

FLIGHT 1.5

### NATURE CALLS

MOUNTAIN IPA / IBU 50 / ABV 6.5%

Nature Calls has the big juicy hop profile that IPA lovers crave. Dry hopping with Mosaic and Eldorado delivers tropical notes of ripe mango, tangerine, pineapple, and fresh berries, while Strata hops helps deppen the grapefruit and herbal cannabis elements. This beer is incredibly quaffable, with restrained bitterness, and refreshingly smooth dry finish -6

FLIGHT 1.7

# BEERS ON TAP

## MALT

### IRISH BREAKFAST \*

OATMEAL STOUT / IBU / ABV 5.4%

This silky smooth brew has 100% of your daily value in deliciousness. This classic UK style is reminiscent of the famous stouts of Dublin. Although it's the perfect breakfast beer, this ultra-smooth stout works any other time of the day as well. Trust us. -6.

FLIGHT 2.1

### HOLE PUNCHER

AMERICAN BARLEY WINE / IBU 50 / ABV 8.8%

Can't find that item in the office that everybody uses but nobody puts back? Well, take a break and enjoy this barley wine. And trust us, the hole puncher is always in the last place you look. (Snifter) -6.5

FLIGHT 1.8

### SINISTOR BLACK

BLACK ALE / IBU 28 / ABV 5.7%

This beer has been around almost as long as the brewery. Don't be fooled by the name because this dark beer is light bodied and smooth with subtle hints of chocolate and coffee. Very unique and a must try. -6

FLIGHT 1.9

### STEEP POW

AMERICAN STOUT ON COFFEE / IBU 65 / ABV 7%

This is not your ordinary American stout... This beast is full flavored with a North West hop profile followed by a substantially roasted malt train. Then rested on coffee beans. Greatness in a glass. -6

FLIGHT 1.10

## CIDER

### REFRESHY

CIDER / IBU 0 / ABV 6.8%

We took our house dry cider and added pomegranate to it for a fruit combination that melds together perfectly and finishes with a light sweetness. -6

## HARD SELTZER

### CLEAN LINE

HARD SELTZER WITH MANGO / ABV 5%

You've probably tried a hard seltzer, but have you tried ours? This fruit infused hard seltzer goes down clean. Perfect for the patio. Cheers! -6

## SOUR

### ROD & TODD

FLANDER RED / IBU 14 / ABV 7.6%

Flanders Red is Belgian-style sour that seems rare to see good examples in the U.S. Our take on it has a notable tartness and vinous, fruity qualities from being aged in wine barrels, which is balanced by a mild sweetness and complex malty character. (Snifter) -6.5

FLIGHT 2.5

### RASPBERRY CRUSH

AMERICAN SOUR / IBU 6 / ABV 6.5%

A great introduction to the sour world. Raspberry crush will slap you in the face with raspberry tartness then again with an undeniable sourness. Refreshingly mouth puckering... (Snifter) -6.5
