

BEERS ON TAP

SESSION

TRAIL BEER*

SESSION IPA / IBU 60 / ABV 4.8%

Our first taste of the newest Fall can release - Fresh pine, ripe lemons, and prominent undertones of papaya and pineapple pervade this hoppy patio pounder, leaning on just enough malt backbone to truly make this a session beer. -6

ABUELITA*

GUAVA CREAM ALE / IBU 15/ ABV 5.3%

To commemorate 10 Barrel's ten-year anniversary, we reached deep into our memory bank for this beer. Inspired by the classic Cuban pastry, this guava cream ale is refreshing yet comforting - a simple taste of home. - 6

SHORTY SESSION

SESSION IPA / IBU 45 / ABV 4.5%

While this IPA might be a bit "ABV challenged" it makes up for it in assertive hop attitude. Shorty has a clean, crisp bitterness, balanced by juicy fruit-like hop flavors and aroma. When the day's fun is not yet done, drink this small beer and live large! -6

TOPEKA SUNRISE* **SAMPLER #5**

AMERICAN WHEAT/ IBU 15/ ABV 4.7%

As rich in color as the rising sun, this humble wheat beer draws you in deeper with each sip. Pillowy wheat malt and subtle hop notes of orange and pineapple will transport you from the plains to the playa in a flash. -6

PUB BEER

AMERICAN LAGER / IBU 14 / ABV 5%

A rare sighting on draft, this beer proves that ideas you come up with at 1AM actually can happen. Want to see it in its true form? Ask for Pub Beer in 12oz or 25oz cans. -5

DFD STATION 3* **SAMPLER #10**

SMOKED AMERICAN PORTER / IBU 40 / ABV 6.1%

S1NISTOR

BLACK ALE / IBU 28 / ABV 5.7%

This beer has been around almost as long as the brewery. Don't be fooled by the name, this dark beer is light bodied and smooth with hints of chocolate and coffee. S1nist0r has an "ask for it by name" cult following. -6

NITRO

WEEBLE DOWN

NITRO PILSNER / IBU 20 / ABV 7%

Think back to your childhood and those funny little toys known as Weeble Wobbles. Did you ever think, "what if I knocked my Weeble down and it didn't Wobble back up again?". In this case we created a monster pilsner at 7% ABV and instead of carbing it up, we decided to nitro it and keep that Weeble Down, leaving a refreshing, hop forward pilsner that finishes smooth. -6

SEASONAL

OUT OF OFFICE **SAMPLER #9**

HOPPY PILSNER / IBU 28 / ABV 5.6%

We brewed an awesome Pilsner, then dry-hopped it with Citra hops. The aroma is amazing, the beer is refreshing and ready for adventure! -6

HOPS

APOCALYPSE

IPA / IBU 70 / ABV 6.8%

This west Coast style IPA is our flagship beer. We can talk about how good it is, but we'd rather you just give it a run for yourself. Apocalypse Now. -5

JOE

IPA / IBU 70 / ABV 6.9%

This IPA was formally known as SAM named after its hops: Simcoe, Amarillo & Mosaic; but we were told this would be a trademark issue with a large craft brewery out of the Northeast so we had to change it. We cycled through a bunch of generic names; Bob, Tom, Dick, until we finally arrived on the perfect name for this IPA... JOE. -6

DEVIL'S PIE*

DOUBLE IPA / IBU 90+ / ABV 8.9%

Looking for a beer that is alluring, intense and sinful? Grab a slice of this hop bomb and indulge. Flavors and aromas of passionfruit, fresh mango and sauvignon blanc grapes define this treat. SERVED IN A SNIFTER - 7

SECRET SAUCE #3* **SAMPLER #3**

PRESERVED LEMON SAISON / IBU 30 / ABV 5.8%

DRINK FOR PINK

Colorado has the 2nd largest concentration of breweries with a total of 334 breweries and growing. In 2013, craft breweries in Colorado were responsible for \$826 million in revenue. The craft brewery market's increasing popularity makes it an ideal avenue for fundraising and increasing breast cancer awareness.

Raising awareness is an integral piece to the puzzle, but ultimately, a cure is going to come from work in the lab. We're partnering with local researchers from Anschutz and the Cancer League of Colorado to fund the latest and most advanced research on the planet to put an end to breast cancer once and for all.
