

# BEERS ON TAP

## SESSION

### BUBBLY

CIDER / IBU 0 / ABV 6.5%

Our flagship cider: When to drink a cider? When you master the Dougie! When you break level 100 on candy crush. When someone swiped right. When you find that Tupac is alive and well. When you break out of the friend zone. Who cares. When recommended pairing.... Paired best with another friend. -5.5

### SASQUATCH

GOLDEN ALE / IBU 15 / ABV 4.5% /

The first offering brewed on site! This is one of 10 Barrel's oldest established beers. Brewed with a touch of honey malt and simply hopped to give it a smooth balance. As the story goes Mike, our original Executive Chef, "saw sasquatch" one day. So the legend lives on in a pint glass to share your versions of this fabled encounter.- 5.5

### SMOOTH TALKER

PILSNER / IBU 35 / ABV 5% /

This is a classic Bohemian Pilsner brewed with traditional decoction mash to enhance body and malt complexity. We used Noble hops to give it the authentic hop character you expect from a pilsner.- 5.5

### PUB BEER

AMERICAN LAGER/ IBU 18 / ABV 5%

This started as a project to create a nice easy drinking craft lager that our brewery employees could enjoy during their work day and still be productive. - 5.5

## HOPS

### CODE 24

PALE ALE / IBU 65 / ABV 6.0%

Code 24 was our first beer brewed back in 2006 when we started 10 Barrel Brewing Company. What is Code 24? It's the code firefighters call out over the radio to grab a 24 pack of beer when the fire's out. - 5.5

### OUT OF OFFICE

HOPPY PILSNER / IBU 28/ ABV 5.6%/ SAMPLER #1

Our Boise brewmaster took his already amazing Pilsner and dry hopped it with Citra hops which gave it a delicious aroma. It's time to put the "Out of Office" auto-reply on, grab a cold ópakc, and go get some!!-5.5

### RIDING SOLO

SINGLE HOP IPA / IBU 65 / ABV 6.5% SAMPLER #4

Single hop pale ale with Comet Hops. Riding Solo challenges boundaries by taking this traditional style to the next level -5.5

### APOCALYPSE

IPA / IBU 70 / ABV 6.8%

This west coast style IPA is our flagship beer. We can talk about how good we think it is, but if you like IPA's... Just give it a run for yourself. 5.5

### JOE

IPA / IBU 70 / ABV 6.9% SAMPLER #3

This IPA was formally known as SAM named after its hops: Simcoe, Amarillo & Mosaic; but we were told this would be a trademark issue with a large craft brewery out of the northeast, so we had to change it -5.5

### CRAFT HEAVY

DOUBLE IPA / IBU 80 / ABV 8.8% SAMPLER #9

In true fashion this beer is loaded with hops and braced with exceptional malt. Deceptively smooth and utilizing an experimental hop this crafty brew might surprise you. Cheers to the craft! -6.0

# BEERS ON TAP

## NITRO

### JOE NITRO

IPA / IBU 70 / ABV 6.9%

We cycled through a bunch of generic names; Bob, Tom, Dick, Dan, Carl, Frank until we finally arrived on the perfect name for this IPA... JOE. - 5.5

## WILD CARD

### PARAMOUNT PALE ALE

AMERICAN STRONG PALE ALE / IBU 55 / ABV 6.2% SAMPLER #10

This American Strong Pale Ale has the assertive hop character reminiscent of an IPA but a more sweet and flavorful malt profile of the pale ale. Welcome to the in between. 5.5

### SAISON TROIS

SAISON TROIS / IBU 15/ ABV 5.5%

Two different yeast strains were used to ferment this lovely and delicate saison. Saccharomyces "Bruxellensis" Trois provides characteristics of mango and pineapple while the farmhouse yeast strain compliments the "Trois" perfectly with it's contribution of complex esters and earthy/spicy notes. - 6

### DOUBLE MOSAIC

DOUBLE INDIAN PALE/ IBU 95/ ABV 10%

The only thing better than a single hop Mosaic IPA is a double Mosaic IPA. Citrus and Pine dominate in pine and aroma and flavor. Enough of a malt profile to support such a hop load. Enjoy this one! We sure are! -6.5

## SEASONAL

### DAWN PATROL

SUMMER ALE/ IBU 35/ ABV 6.1% SAMPLER #8

This goes out to the surfer who wakes up early, checks 15 spots before paddling out, finding an uncrowded wave and has only one other obligation for the day: reward their efforts with a frosty beer! Smooth English malts and a fine mixture of hops to give it that flow. - 5.5

## DARK

### SINISTOR

BLACK ALE / IBU 28 / ABV 5.7% SAMPLER #7

This beer has been around almost as long as the brewery. Don't be fooled by the name, this dark beer is light bodied and smooth with hints of chocolate and coffee. With a "ask for it by name" cult following it's very unique and a must try. -5.5

### P2P

AMERICAN STOUT / IBU 65 / ABV 7.0%

This is not your ordinary American Stout. This beast is a hop bomb followed by a substantially roasted malt train. Greatness in a glass! Something about brewing this beer brings out his inner self. This here is a hop bomb followed by loads of roasted malt -5.5

### THROWBACK

OATMEAL STOUT / IBU 22 / ABV 4.7% SAMPLER #5

A tried and true style of beer. Throwback has a smooth, creamy approach with just a touch of roast. A little sweetness up front and a slightly hoppy middle - 5.5
