CANDLELIGHTERS OF OREGON

Candlelighters For Children With Cancer was founded in 1977 by five families who had one thing in common – a child impacted by cancer. At that time, no services existed to support families going through this journey. Through the years, local childrens' hospitals and families have come to depend on Candlelighters community of support to help families with basic needs such as emergency financial aid, monthly family activities, in-hospital meals and a family camp to ensure that families have the support and resources they need.

BEERS ON TAP

HOPS

DOUBLE SQUISHY **

IPA / IBU 55 / ABV 6.6%

Some may call the "New England IPA" a trend, some call it a style, we call it wicked good. So good that we decided to make it a double!! The soft malt profile, low IBU, and a huge tropical hop profile, makes Double Squishy drink just like fruit juice... for adults! (Served in a snifter) -5.5

SAMPLER #6

BLACK PEARL **

CDA / IBU 70 / ABV 6.8%

The second release of our Pearl series! The same malt and hop bill of Pearl that you know and love, but with a slight addition of rye to lend a spicy complexity that meldes perfectly with the subtle chocolate and coffee notes of black malt. -5.5

SAMPLER #8

JOE

IPA / IBU 70 / ABV 6.9%

This IPA was formally known as SAM named after its hops: Simcoe, Amarillo & Mosaic; but we were told this would be a trademark issue with a large craft brewery out of the northeast, so we cycled through a bunch of generic names; Bob, Tom, Dick, Dan, Carl, Frank until we finally arrived on the perfect name for this IPA... JOE. -5.5

SAMPLER #7

APOCALYPSE

IPA / IBU 70 / ABV 6.8%

This west coast style IPA is our flagship beer. We can talk about how good we think it is, but if you like IPA's... Just give it a run for yourself. -5.5

BRETT IPA

IPA w/ BRETTANOMYCES / IBU 65 / ABV 6.8%

In this case, Brett isn't some dude, it's a genus of yeast. Brettanomyces yeast provides aromatic tropical fruit esters and a mild funk that blends perfectly with the juicy, complex fruity notes from El Dorado, Mosaic, and Vic's Secret hops. Thanks to a massive dry hop addition that included heaps of Mosaic lupulin powder, this is an IPA that isn't for the faint of heart. -5.5

SCALE BREAKER

DOUBLE IPA / IBU 85 / ABV 8.8%

Built to deliver a dump truck of flavor but at the same time leaving you wanting more. The scales were tipped using copious amounts of Mosaic and Sorachi Ace hops. The coconut-tropical with mandarin hop note is parried with a sweet caramel malt compliment. Have your cake and eat it too. -6.5

OUT OF OFFICE

HOPPY PILSNER / IBU 28 / ABV 5.6%

We brewed an all grain pilsner and then dry hopped it with a bunch of Comet and Citra hops creating a light, crisp lager with amazing hop flavor and aroma. You just found your new hoppy session beer! -5.5

CANS

CUCUMBER CRUSH

SOUR / IBU 5 /
ABV 5% -5

RASPBERRY CRUSH

SOUR / IBU 8 / ABV 6.5%

SESSION

SALUTE YOUR SCHWARTZ **

SCHWARTZBIER / IBU 35 / ABV 5.4%

It's back! A smooth, clean, dark German lager with subtle notes of roast and chocolate. Drinks with light Noble hop flavor and a balanced bitterness. -5.5

SAMPLER #3

OLD SPECKLED SHELBY **

ESB / IBU 30 / ABV 5.4%

This hybrid pale culls its ingredients from both sides of the pond: lightly hopped with Cascade and EKG hop varieties and a malty English base malt supplemented with Northwest crystal malts. Northwest inspired and true to the English style, this beer is herbal on the nose with notes of caramel on the palate. -5.5

BE HUMBLE SESSION IPA **

IPA / IBU 38 / ABV 5.0%

This IPA may be extra small, but it packs a massive citrus punch. Brewed with a blend of Golden Promise and malted wheat, this session IPA is full bodied and highly quaffable. It was hopped with El Dorado, Galaxy, Amarillo, and citra hops. -5.5

SAMPLER #2

BOISE 150

GOLDEN BLONDE / IBU 22 / ABV 5%

Not quite a traditional blonde, but not quite a golden, the crisp Boise blonde is light bodied enough to be your everyday go to with a smooth blend of hops to keep things interesting. Clean, light and easy drinking. -5.5

SAMPLER #4

PUB BEER

LAGER / IBU 14 / ABV 5%

This easy drinking lager was originally crafted to be sold only in cans and only at the pubs. Now available on draft, this beer is proof that ideas you come up with at 1 AM actually can happen.. -5.5

WILD CARD

BIG OL' PUMPKIN

IMPERIAL PUMPKIN ALE / IBU 40 / ABV 8.3%

We brewed this beer with over 14 lbs. of organic pumpkin per barrel and then finished it off with Cinnamon, Nut Meg and All Spice. Put this in your pie and bake it! (Served in a snifter) -6.5

SAMPLER #1

JAMAICAN ME PUMPKIN

BARREL AGED IMPERIAL PUMPKIN / IBU 30 / ABV 10%

We had a theory that you could age almost anything in a Jamaican Rum Barrel and it would taste great so we decided to test that theory with an Imperial Pumpkin Ale. With over a year in the barrels we came to one conclusion: We were right! (Served in a snifter) -6.5

SAMPLER #10

YUZU SALTY **

WILD SOUR / IBU 10 / ABV 5%

Inspired by Japansese lagers with a splash of salted Yuzu juice. This lightly salted sour was conditioned on top of fresh Yuzu zest and dry hopped with New Zealand grown Motueka hops for an extra juicy, citrus punch. (Served in a snifter) -6.5

GINTUITION

SOUR / IBU 10 / ABV 6.2%

Brewed in using traditional methods and ingredients, this Kolsch is clean, crisp, and delicately balanced. Pilsner malt, German noble hops, and subtle Champagne-like fermentation flavors make this beer extremely quaffable. Pros Gintuition is a pomegranate sour aged with gin botanicals from Ransom Distillery. The aroma is juniper berries and cardamom. Tart pomegranate dominates the flavor with a spicy gin finish. -6.5

BEERS ON TAP

DARK

PRAY FOR SNOW

WINTER ALE / IBU 65 / ABV 7%

We care about two things in the winter... Snow and Beer. We changed this year's Pray For Snow winter ale by using seven different malts and changed up the hops for a piney, herbal hop complexity. Drink Beer, Stay Warm! -5.5

SAMPLER #9

SINISTOR

BLACK ALE / IBU 28 / ABV 5.7%

This beer has been around almost as long as the brewery. Don't be fooled by the name, this dark beer is light bodied and smooth with hints of chocolate and coffee. With an "ask for it by name" cult following, it's very unique and a must try. -5.5

SAMPLER #5

NITRO

SILK STACHE

N2 MILK STOUT / IBU 25 / ABV 6.1%

A style we've wanted to brew for a while... A perfect balance of roasted malts and sweetness from milk sugar. Brewed with dark roasted malts, flaked oats, barley and a new experimental hop grown in Idaho. Enjoy this tasty black glass of love. -5.5

SNOWBALLS

WINTER ALE / IBU 65 / ABV 9%

This BIG winter ale is sure to please with a smooth malt profile and a wonderfully hoppy finish. On nitro? Even better! Cozy up next to the fire and enjoy. (Served in a snifter) -6.5
