# HOPS

## Nature Triumphs\* 6 Mountain IPA / 6.5% ABV / 40 IBU

This is an expansion on our original Nature Calls recipe in brewing a crisp, semi-dry Mountain IPA with Strata and Triumph Hops providing hints of Citrus, Sweet Melon, and White Grape. Nature Triumphs is a special release on National Public Lands day to celebrate everything we love about the outdoors and to help protect the places where we play with a portion of proceeds benefitting The Conservation Alliance. Special thanks to our friends at BSG for donating the ingredients and continuing to support our preservation of public lands!

## Pray 4 Rain\* 6 Pale Ale / 5.7% ABV / 35 IBU

This beer was brewed in dedication to our beloved Wildland firefighters as they continue to protect the forests, wildlife, and loved ones we hold dear. Northern Brewer and cascade Hops capture the essence of the wilderness delivering pine, citrus, and notes of herbal undertones. Complemented with pale, crystal, and dextrapils malts; the result is a perfectly balanced pale ale. We hope this beer extinguishes your thirst as our Wildland firefighters continue to extinguish the flames!

\*Proceeds from Pray for Rain will be benefiting The Wildland Firefighters foundation in support of their constant efforts through this years fire season.

## Apocalypse 6 IPA / 6.8% ABV / 70 IBU

This west coast style IPA is our flagship beer. We can talk about how good we think it is, but if you like IPA's... Just give it a run for yourself.

## Won and Done 6 Hazy IPA / 7% ABV / 45 IBU

We partnered with our friend Darin from Oblivion Brewing Co. to create this super juiced Hazy IPA. We carefully layered hops that would give us amazing Starburst fruit character with loads of orange, tropical fruit and passionfruit. We chose malts that would produce a silky malt character and lush mouthfeel. This isn't the normal Hazy IPA... it's a little bit extra.

## Fukton 6 Fresh Hop Pale Ale / 5.9% ABV / 50 IBU

Fukton was developed to celebrate the hop harvest season. We built this beer to be all about the hops with a simple, to the point west coast style malt bill to showcase the star of the show...The fresh off the vine Citra and Mosaic hops from Sodbuster Farms in Salem. We used over 1,000 pounds of juicy, orange laced fresh hops. That's a Fukton! Sit back and welcome in the fall with this once a year beer!

## Profuse Juice 6 Hazy IPA / 6.5% ABV / 45 IBU

The focus of this addicting Hazy IPA was to bring out all of the tropical juicy hop flavors we could while keeping the bitterness in check and balanced. Huge whirlpool additions and multiple Dry Hopping did the trick..

## Tiny Haze 6 Session hazy IPA / 4.5% ABV / 55 IBU

What this Hazy IPA lacks in alcohol content it more than makes up for in flavor. Huge tropical hop aroma assaults the nose, followed by mild bitterness and a deceptively full bodied flavor. How did we create a small beer that tastes so big?... Magic of course

## Last Ride\* 6 IPA / 6.9% ABV / 60 IBU

Grab a handful of throttle cruise those back roads. Take in the scenery and feel the freedom soak in. Enjoy every ride as if it's your last. Never forgotten, here's to you Charlie.

# SESSION

## Reel Good\* 6 Kolsch / 5% ABV / 24 IBU

Brewed using traditional methods and subtle Champagne-like fermentation, this Kolsch-style summer ale is clean, crisp, balanced, and almost as light as a dry fly. Fish it Well and Drink Beer Outside!

## Spray Tan 6 Fruited Wheat Ale / 5% ABV / 21 IBU

We took our award winning wheat ale and added a touch of mango and orange to give it that summertime glow!

## Pilsner\* 6 Pilsner / 5% ABV / 35 IBU

This classic German Pilsner is a favorite of the Brewers. We use Noble hops to give it the authentic hop character you expect from a pilsner and a crisp finish. Made with tradition and exceptional quality in mind.

# SESSION

## Cerveza Negra\* 6 Mexican Dark Lager / 4.5% ABV / 19 IBU

This beer is influenced from days of sitting on a Puerto Vallarta beach drinking a refreshing dark lager with a lime. A rich but cleansing malt presence is complemented by the the slight spiciness from the noble hops. The perfect mix of craft and easy drinking.

## Muscles McAllister\* 6 German Wheat / 5.3% ABV / 11 IBU

What's more refreshing than a Wheat Beer on a sunny day? Nothing! Kevin brewed this delicious beer in the most classic way using a 70% wheat base and yeast from the world's oldest brewery. Wonderful banana and clove esters makes this a standout. This is an extremely small batch so drink it while you can!

# DARK

## Sinistor Black\* 6 Black Ale / 5.7% ABV / 18 IBU

This beer has been around almost as long as the brewery. Don't be fooled by the name because this dark beer is light bodied and smooth with subtle hints of chocolate and coffee. Very unique and a must try.

## Critical Cherry Mass 6.5 Imperial Stout / 12% ABV / 46 IBU

Critical Mass is our big robust Imperial Stout that we brew for those cooler nights in front of a fire. We went another level by aging a batch in 12 yr Elijah Craig bourbon barrels for a year and adding a touch of tart cherry to it.

# SOUR

## Apricot Crush\* 6.5 Sour / 6.2% ABV / 7 IBU

A welcoming introduction to the world of sour beers. Our Apricot Crush is made from a Berliner Weiss base and then we add copious amounts of apricot to make this beer really pop. Light, crisp and refreshing

## Berry Cheesecake Sour 6.5 Dessert Sour / 4.5% ABV / 10 IBU

What do you get when you take our standard strawberry sour and add a bunch of graham cracker, cream cheese powder, and fresh organic blueberries? You get a Berry Cheesecake Sour. And it's pretty, pretty, pretty good.

## Sir Fleur\* 6.5 Flanders Red with Syrah Grape & Flowers / 8.5% ABV / 10 IBU

Sir Fleur is an old school Belgian sour with a twist. It matured for over 3 years before being introduced to pinot noir barrels with fresh syrah grapes, then it was conditioned on dried hibiscus, jasmine, elderflower, and chamomile. This creates a complexity and nuance of a fine wine intertwined with a soft, mellowing floral character and the effervescence and rich malt character of the base beer.

# NITRO

## Cocoa Mole\* 6.5 Wheat Wine / 10.8% ABV / 26 IBU

In the 1980's American craft brewers replaced large amounts of barley with wheat in a barley wine and the wheat wine was born. We took this and ran with it, aging it in a blend of wheat whiskey and Oregon pinot noir barrels for over a year creating a complex array of tannic dark fruit and drying whiskey nuances. This big and bold libation is then layered with coco and mole spices for a mind blowing sensory journey that will keep you captivated to the very end.

## Rio Brown 6 Brown Ale 5.75% ABV / 25 IBU

Very subtle notes of chocolate, caramel, and roast malts round out this well balanced and easy drinking American Brown Ale.
